General review of Rec Season

Scheduling dates

- **February 19, 2016** -Teams must be in League One before February 19, 2016 to be pulled for pre-scheduling meeting. New team placement process mostly for classic, but rec. will be included at the bottom of the spreadsheet
- **March 9, 2016** – Prescheduling Meeting, Kimberly HS, LGI at 6:30 PM
- Clubs need to keep an eye on their teams and the number of players that are registered. If they do not think they can fill a team for the season, please do not submit the team to be scheduled. Pulling teams out of the schedule once it has been generated adds a lot of extra work for all the clubs involved in the scheduling process. If a club finds they have players they will not be able to place on a team, they should contact other clubs to see if they have a space for these players. We want anyone who wants to play soccer to have the opportunity to play.
